MVC Identity

The screenshot shows the MVC Identity Demo application running in a web browser. The page is titled "Log in" and features a login form with fields for "Email" and "Password". Below the password field is a "Remember me?" checkbox. A blue "Log in" button is positioned below the form. To the right of the login form, there is a section titled "Use another service to log in." which includes a message stating that no external authentication services are configured, along with a link to an article about setting up external services. The browser's address bar shows the URL "localhost:7107/identity/Account/Login?ReturnUrl=%2F". The Windows taskbar at the bottom displays the time as 09:36 on 04-09-2024.

Log in

Use a local account to log in.
